Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Tuesday 09 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Very cold, mostly dry. Increasing easterly winds bringing coastal gales.

Today:
Remaining very cold with strengthening easterly winds and a few snow showers. These mainly falling across London and Kent. Some sunshine is also expected, more especially across western areas. Turning cloudier near coasts with gales developing here by afternoon. Maximum temperature 1 deg C (34 deg F).

Tonight:
A windy start to the night and remaining bitterly cold. Near coasts gales may be severe at first. A few snow showers are likely with some clear spells. Minimum temperature -4 deg C (25 deg F).

Wednesday:
Wednesday will be a very cold, bright day with sunshine and a few snow showers, these mostly light. Brisk northeasterly winds will slowly decrease in strength. Severe frost overnight. Maximum temperature 1 deg C (34 deg F).

Outlook for Thursday to Saturday:
Thursday bright, mostly dry with some sunshine. Friday and Saturday cloudier with a chance of snow, perhaps mainly on Saturday but confidence is low. Very cold with strong southeasterly winds.
